

APTCOO Newsletter

Ofsted Monitoring Visit

I am delighted to inform you that on Thursday the 1st of February we received an unannounced Ofsted Monitoring Inspection.

I can't officially share the outcome yet, but I am so proud of the young people and the staff team who were able to show the inspector what APTCOO is really all about.

As soon as I have the final report I will send it out to you all. Thank you for all of your support too...our parent partnership is so important.

Michaela

Upcoming Events

As we move into teaching Relationships and Sex Education during this half term we would like to offer you a second opportunity to review the content and talk to staff about any concerns that you may have. The curriculum we have chosen is written for SEND learners and where the lessons focus on understanding personal safety.

<https://pshe-association.org.uk/resource/planning-framework-pupils-with-send>

A parent/carer meeting will be held online on: Monday the 26th of February at 6pm. A Teams invitation will be forwarded to you in due course.

Can you please advise the school office of any of the following...

- A change of mobile number
- Any planned holidays
- Reasons for absence

Spring Is Coming!

This half term the learners will be looking at plants, plant nutrition, pollination and food chains/webs in science.

If you have any seeds or bulbs that you wish to donate they'd be very gratefully received. We are hoping to enhance our spaces and places with a splash of colour as the seasons change.

We are also hoping to see new life as we hatch chicks at North Farm House.

Emma

A Reminder from Michaela

Do not forget

Our next Inset Day is on Monday the 19th of February. We will look forward to welcoming you all back on Tuesday the 20th of February.

We break up for the end of Term at 2pm on Thursday the 28th of March and re-open as normal on Monday the 15th of April.
